For the first time, SBI has introduced Sectional Timing in Prelims Exam. This can be a new trendsetter statement for upcoming recruitments in banking and insurance sector as well.

Phase-I: Preliminary Examination

Preliminary Examination consisting of Objective Tests for 100 marks is conducted online. This test is of 1-hour duration consisting of 3 Sections with each section having sectional timing of 20 minutes each.

Serial No.	Section	No. of Question	Total Marks	Duration
1	English Language	30	30	20 minutes
2	Numerical Ability	35	35	20 minutes
3	Reasoning	35	35	20 minutes
	Total	100	100	60 minutes

Phase – II: Main Examination

The structure of main examination (online objective type) would be as follows:

Serial Number	Section	No. of Question	Total Marks	Duration
1.	General English	40	40	35 minutes
2.	Quantitative Aptitude	50	50	45 minutes
3.	Reasoning Ability and Computer Aptitude	50	60	45 minutes
4.	General/Financial Awareness	50	50	35 minutes
	Total	190	200	2 hours 40 minutes

As per the official notification released by SBI "No minimum qualifying marks for individual subjects are prescribed". Thus, there will not be any sectional cut off for this year's SBI Junior Associates Recruitment's Online Examinations. However, the criteria solely lies within the hands of the organisation. There will be negative marks for wrong answers in the Objective tests.

A Penalty for Wrong Answers (Applicable to both – Preliminary and Main examination): There will be a penalty for wrong answers marked in the Objective Tests. For each question for which a wrong answer has been given by the candidate one-fourth of the marks assigned to that question will be deducted as penalty to arrive at corrected score. If a question is left blank, i.e. no answer is marked by the candidate, there will be no penalty for that question.
